

Climate Cure Capital Corporation Appoints David Waite to Their Board of Directors

05/12/22 StereoVision, a publicly traded Nevada corporation announced today that David Waite was elected to the Board of Directors of their wholly owned subsidiary Climate Cure Capital Corporation.

“David is a highly experienced international executive with a global reach and we’re very excited to welcome him to the Climate Cure Capital Board of Directors,” stated StereoVision’s CEO Jack Honour.

David Waite: working with corporations and industry-leading individuals, David has played prominent roles consulting for government agencies in the financial services & banking industry, international public & private large-scale luxury real estate development, and in large scale software contracts for both state & federal government agencies. Before being recruited by the consulting arm of Deloitte, Touche and Tohmatsu LLP, where David managed the sales and marketing pipeline for a 50 Partner team focused on Fortune 500 firm opportunities, David was a recognized industry leader in establishing new government and corporate clientele across numerous product offerings from Oracle, SAP and Lawson, as well as for IBM companies such as SPSS and Cognos Software. Earlier in his career, specializing at the state level in Health & Human Services and State transportation & financial agencies, David gained a wealth of knowledge in government operations and political processes. David left Deloitte in the fall of 2014 to return to his roots in the luxury real estate development market and project funding and commodities consultation. David is a Founding Member and Managing Director of WatersMark LLC, a multinational real estate development firm. David is deeply committed to sustainability initiatives and serves as a consultant with several Non-Profit

organizations and Humanitarian Development Projects in the US, Africa, the Caribbean and the EU.
