

StereoVision Gives Progress Update On Company and Subsidiaries

Las Vegas 02/03/20-(OTC Markets)Stereo Vision Entertainment, Inc. (OTC:SVSN) updated shareholders today on the progress of the Company and its subsidiaries.

StereoVision continues to dedicate time and resources to our media projects and we believe upon completion they will become a considerable added value to the shareholders, said StereoVisions CEO Jack Honour, At the present time our primary focus is our entry into the Climate Change Mitigation industry through our subsidiaries the climate change mitigation trendsetter for 10 years Climate Cure Capital Corporation <http://climatecurecapital.com> and Eco Allies <http://ecoallies.biz> the company we formed for our planned REIT listing for climate change mitigation businesses, including industrial hemp.

With Climate Cure we are actively generating planting opportunities with Floridas farming community where our Paulownia trees thrive the best, Honour continued. We look to deploy many of our 5,000,000 seeds for our proprietary SuperGreenTrees there in our efforts to contribute to the reduction of methane being released into the atmosphere and be poised to capitalize on the new surge of interest and financial support for the planting of our Paulownia trees bringing another added value to our shareholders. <https://www.npr.org/2020/01/22/798644791/president-trump-climate-change-and-1-trillion-trees>

While engaging the Florida farming community for the development of our farming plan for our Paulownia trees, Eco Allies is surfacing opportunities with environmentally-focused companies for inclusion in Eco Allies planned REIT filing, Honour added. Climate Cure and Eco Allies will be attending Earthx with StereoVision Board of Directors member James Gaspards company BiocharNow. <http://biocharnow.com>. We believe BioChar is the next gold rush and there is no better product to make biochar with, considering soil mitigation and offset credits earning potential, than our Paulownia trees. With our Climate Change Mitigation business we believe we are in a right place right time business opportunity.
